

## ADA ramp and other accessibility improvements continue in the Denver region

### *Work starts along South Kipling Street in Denver County*

#### **PROJECT OVERVIEW**

Starting July 29, the Colorado Department of Transportation and Contractor KSK, LLC will begin construction to improve safety and accessibility in Jefferson, Denver and Arapahoe counties. Construction begins along two locations on South Kipling Street in Denver County. Work includes replacing the sidewalk curb ramps with ramps that are ADA compliant. Other work includes new gutters and landscaping, pedestrian push buttons at signals and new striping at crosswalks and signals.

**Work to occur at the following locations along South Kipling Street:**

- W. Mississippi Ave.
- E. Alameda Ave.

See the map on the back page for more information on where the work will occur.

#### **PROJECT SCHEDULE**

Work is scheduled from July 29 to late August. Normal working hours will be Monday through Friday from 7 a.m. to 5 p.m.

#### **TRAVEL IMPACTS**

- Various single lane closures on West Sixth Avenue from 9 a.m. to 3 p.m. during the weekdays in the project area.
- Travelers by bike, wheelchair or foot can expect lane and sidewalk closures in the project area.
- Sidewalks are likely to be closed overnight or over the weekend to allow the concrete to set up.
- Access to all businesses will be maintained but may be temporarily altered.
- Crews will be working on no more than three locations at one time.
